from the Vicarage.**

I'm really looking forward to my first Christmas as your new Vicar and would like to warmly welcome you and your family to our Christmas services (see overleaf) and to our Fair.

Celebrating the birth of Christ always captures me with a sense of awe and wonder, I hope it will you too. I shall be dressing up as a nativity character for our crib service, why not join me - after all Christmas is for children and adults!

Merry Christmas to you and to everyone in your household.

Fr. Stephen
