Your Child's Baptism at St Mary's Church Thorpe 2023

Thank you for your interest in having your child baptised at St Mary's Church, Thorpe. We really look forward to sharing in your celebration and hope these notes are useful as you prepare for your family occasion with us.

Baptism (Christening)

In baptism, we thank God for his gift of life and publicly acknowledge his love. In the Anglican Church (Church of England) it is common to baptise children and infants; this is sometimes known as christening (to "christen" means to "give a name to"). Baptism is one of the sacraments of the Church and a holy ritual to symbolise grace; a visible sign of something God does in our hearts. In the Christian tradition baptism can be traced back to Jesus himself being baptised in the river Jordan, by John (See Matthew 3: 13-17). So, baptism involves naming and marking a person with holy oil as God's child; they are then washed by water (poured over the head three times) in the name of the Father, Son and Holy Spirit and finally given a candle to represent Easter and the new light of the risen Jesus.

When do services of baptism take place?

Baptism is a public rite - it is not a private occasion, and the whole Christian church represented by St Mary's congregation welcomes you and your children into the family of faith. Up to two families can take part in each service of baptism, (No Baptisms during Lent), We book in two families per service, with each family allowed to invite up to 70 guests (there are 140 chairs available in the nave).

What happens on the day of Baptism?

You need to arrive in good time before the start of the service. On arrival at St Mary's our warden on duty will welcome you and your guests and hand out a printed service sheet which we will follow through – a copy of the service text is attached to these notes. The congregation have an important part in welcoming your child(ren) who are joining the family of the Church and therefore welcomed into membership. The congregation will promise to support and pray for you and your child.

We ask that Parents and Godparents sit on the front row of the church. If in doubt, the wardens on duty will show you know where to sit. The Baptism part of the Service takes place after the Sermon/talk. The priest will invite you and the Godparents to stand at the front of the church, facing the congregation at the appropriate time. Some parts of the service will be for the whole congregation to join in; some will be for you and the godparents. For the baptism itself, the parents and children are asked by the priest to gather around the font. (The font is a large stone basin on a pedestal, containing the water for baptism which is right at the front of St Mary's Church on the left hand side.)

Making decisions and promises

You will be asked to declare publicly on behalf of your child that you believe in God and that you will bring your child up to follow Jesus. You, and your Godparents (who must themselves have been baptised and be present at the service) will be asked to answer, on your child's behalf, that you have decided to turn to Christ. The declarations made by you and the child's godparents will be made in front of the church congregation. You will be asked:

Parents and godparents, the Church receives these children with joy. Today we are trusting God for their growth in faith. Will you pray for them, draw them by your example into the community of faith and walk with them in the way of Christ?

You answer: **With the help of God, we will.**

In baptism these children begin their journey in faith. You speak for them today. Will you care for them, and help them to take their place within the life and worship of Christ's Church?

You answer: **With the help of God, we will.**

Frequently asked questions about Baptism

Q. What's the difference between a baptism and a christening?

These names are sometimes used interchangeable for the same service. Technically to "christen" means to name a child and baptism is the whole service, including the pouring of water over the child's forehead three times and one of the sacraments of the Church.

Q. What is the right age for baptism?

Baptism can happen at any age. What matters is that those concerned are committed to bring up a child as a Christian. Teenagers and adults may also be baptized. This is celebrated with confirmation by the Bishop. You can only be baptised once, but there are ways of renewing your Christian commitment publicly as an adult - your priest will be able to advise you.

Q. I'm not a regular churchgoer. Can I still have my child baptized?

Yes. The Church of England believes that God's love is available to all, regardless of their background. Fr Damian can talk you through the options. You may also wish to find out more about the Christian faith and what joining the Church involves before you make a decision about baptism. St Mary's runs regular courses for enquirers. Ask one of the clergy team about these.

Q. What does it cost?

The Church of England charges a small fee of £16.50 (2023) towards the costs of the certificate and we ask for this to be paid in advance of the ceremony. There are no other charges for a service of Holy Baptism. However, at each service a collection is taken during the Hymn and we ask you and your guests to be as generous as possible in supporting us in this way. Please help us by making your donation in one of our yellow gift-aid envelopes, completing the information required and dating the front. (Only those who pay income tax are eligible to claim gift-aid on their donations).

Q. Who should I choose as Godparents and how many?

Traditionally each child has three godparents but we have made provision on the application form for four. Godparents should have already been baptised because they are making Christian promises before God and have a special role. It's about helping a child to come to know God, encouraging them in their spiritual life and supporting them in their membership of the local church. During the service the priest asks Godparents, as well as parents to declare their intention to do support the child. The priest asks if they are *'prepared to walk with [the child] in the way of Christ'* and will *'help them take their place within the life and worship of Christ's Church'*. God parents need to be able to answer honestly 'Yes' to each of these questions.

Q. Where do my guests park their cars when attending St Mary's Church, Thorpe?

Unfortunately, there is not a Village or Church Car Park. There is limited car parking available at the Vicarage (Please only park cars on the red gravel area) and in Church Approach, but otherwise you will need to encourage guests to find on-street parking within wider Thorpe Village. A good place is Ten Acre Lane from the Cemetery downwards TESIS. Please make your guests aware of parking limitations and encourage them to park away from Church Approach, to allow those who really need spaces near the Church to use them, such as the elderly or those with limitations. (Please note: No use of TESIS School facilities, grounds or buildings is permitted by baptism families or their guests.)

A Prayer to pray with your child

Heavenly Father, thank you for the gift of *[child's name]* and for all the joy he/she brings us. Be with her/him on her/his Christian journey so she/he may come to know our Lord Jesus Christ as Saviour and friend. Amen.
